August 2011

Dear Parents,

I hope you have had many opportunities for family time this summer and some relaxation from the school year busyness before we begin the 2011-2012 year. You will no doubt notice that this year we have split registration between the lower and upper grades for faith formation. Hopefully this will make the information less overwhelming.

Enclosed are pages with all the specifics for each grade level. Grades six and seven remain very similar to the last five years, grade eight and nine have the most change, however you will also find many similarities and grade ten remains unchanged from previous years.

Also enclosed is a registration form for next year, only your children in grades six through ten listed. Entered on the form is the information we have on file for your family. **Please proof read it, correcting any errors and filling in missing data.** *E-mail addresses are important to us, all reminders are sent to you using these, if reminders should go to more than one address please include these on your form.*

When registering for the first time in the program **you must submit the baptismal** date and name and place of the Church, for your child(ren), on the registration or we will not consider the registration complete! The registration fees are: **\$125 each for the first two children and \$50 for each additional child.** Grades 9 and 10 have an additional fee directly related to their programs. *All Checks should be made out to Most Precious Blood/Faith Formation.* If for any reason the registration fee is a financial hardship, please let us know so that it may be waived. This information will be kept confidential.

Grade 9 for speakers, \$50.00

Grade 10 for speakers and overnight retreat, \$75.00

Lastly there is a line on the registration form asking for your signature. Because we now provide you the registration info completed we need your signature as sign of official enrollment and permission for your child(ren) to attend the program. Please return the completed registration form and fee ASAP, any questions call the office at 508-653-6253, x14.

Registering as soon as possible will make the first weeks of class much smoother, thank you.

Yours in Christ,

Regina O'Connor
